

IND-MD-DF-ESR-XX-SP0104

Replacement Lithium Ion Battery for IND-MD-DF-ESR Series Rechargeable Sprayers

Product ID: 269328

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

IND-MD-DF-ESR-XX-SP0104 Replacement Li-Ion Battery for IND-MD-DF-ESR Series Sprayers

Unit Type: Replacement Lithium Ion Battery
Battery Type: 2200aH Lithium-ion
Battery Recharge Time: 3 Hours
Field Replaceable Battery: Yes
Runtime (Single Battery): 30 Minutes per Full Charge
Package Contents: (1) Replacement Battery

The IND-MD-DF-ESR-XX-SP0104 from Larson Electronics is a Replacement Lithium Ion Battery for IND-MD-DF-ESR series rechargeable sprayers.

This replacement battery is ideal for extending the runtime of the sprayers. Operators can easily switch from a depleted battery to a fully charged extra battery and keep spraying without interruption. The IND-MD-DF-ESR-XX-SP0104 can also be used to replace lost, damaged, missing, or otherwise compromised batteries for the IND-MD-DF-ESR series of electrostatic rechargeable sprayers.

Battery: The IND-MD-DF-ESR-XX-SP0104 is a 2200aH lithium-ion battery, which offers a runtime of 30 minutes per full charge. The battery is field replaceable to extend runtime. From a completely depleted state, the battery will take 3 hours to fully recharge. The battery is removable for charging convenience and features a charge level indicator light. The IND-MD-DF-ESR-XX-SP0104 extends the runtime and allow operators to continue spraying while other batteries recharges. At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power

accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
