

XLE-EL-CSS-R1-115V-NO

2.5A AC Current Sensing Switch - 115V Input - Surface Mount

Product ID: 271487

Image: XLE-EL-CSS-R1-115V-NO

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

XLE-EL-CSS-R1-115V-NO Current Sensing Switch

Unit Type: Current Sensing Switch

Dimensions: 15/16" x 3-7/16" x 2-13/32"

Weight: TBD

Max Amp: 2.5A

Voltage 115V

Operating Temp: 5 - 140 DegF (-15 - 60 DegC)

Operating Humidity: 10-90% RH, Non-Condensing

The XLE-EL-CSS-R1-115V-NO from Larson Electronics is an AC Current Sensing Switch that has no time delay and is rated for 2.5 amps at 115 V.

The XLE-EL-CSS-R1-115V-NO AC current sensing switch is ideal for use with clothes drying devices. When an amp load over 2.5 amps is detected, the circuit will close which will turn on the device's fan. When the amp load falls beneath 2.5 amps, the circuit will open instantly and turn off the fan. The XLE-EL-CSS-R1-115V-NO measures 3-7/16" long by 2-13/32" tall by 15/16" deep and can be surface mounted.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands

of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
