Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

EPLRL-35-0.375-AR-CA-300PSI Explosion Proof Compressed Air Reel
Unit Type: Explosion Proof Compressed Air Reel
Dimensions:12.86" x 7.52"
Active Air Travel: 35'
Application: Lift/Drag
Guide Arm: 4-Roller 12-Position, Adjustable/Removable

Made in the USA

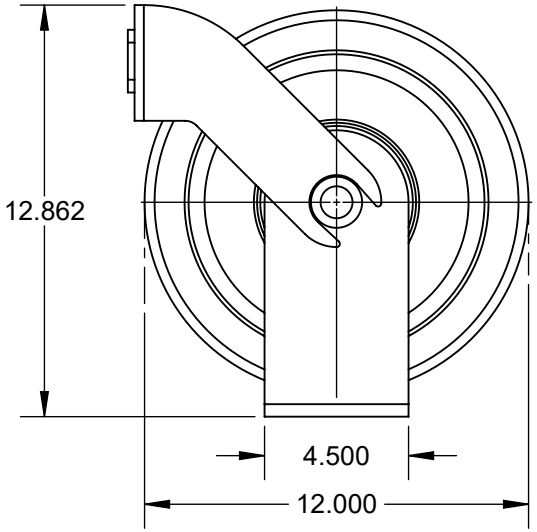

The EPLRL-35-0.375-AR-CA-300PSI from Larson Electronics is an Explosion Proof Compressed Air Reel for Class I, Division 1; Class I, Zone 1; Class II, Division 1 and Class III locations. The lift/drag unit offers 35 feet of active compressed air travel and is designed for 3/8" ID 300 PSI. This NEMA rated explosion proof compressed air reel comes with a red hose and a "Compressed Air" label on the side.

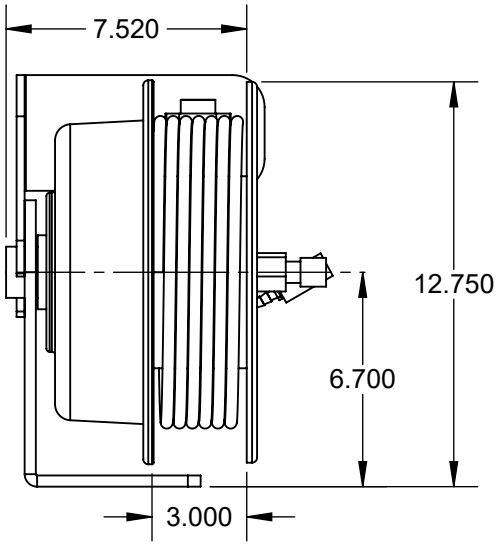

******PLEASE NOTE: ANY FREE SHIPPING OFFERS DO NOT APPLY TO THIS HAZARDOUS LOCATION LIGHT FIXTURE******

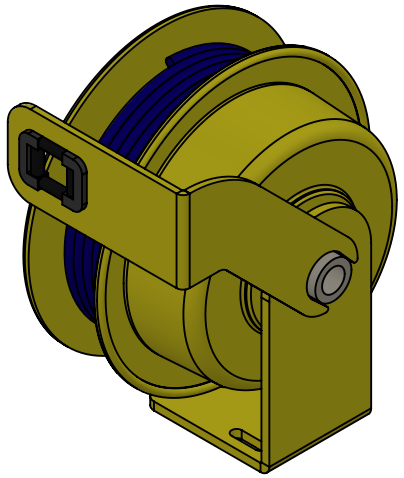

The EPLRL-35-0.375-AR-CA-300PSI is recommended for compressed air-reel applications in combustible environments. Designed for 3/8" ID 300 PSI, this unit provides 35 feet of active compressed air travel and is suitable for lift/drag applications. A 4-roller, 12-position adjustable and removeable guide arm reduces the possibility of tangling and makes operation seamless. Constructed of powder coated steel with zinc-plated hardware, the explosion proof compressed air reel comes with a red hose and a "Compressed Air" label on the side.

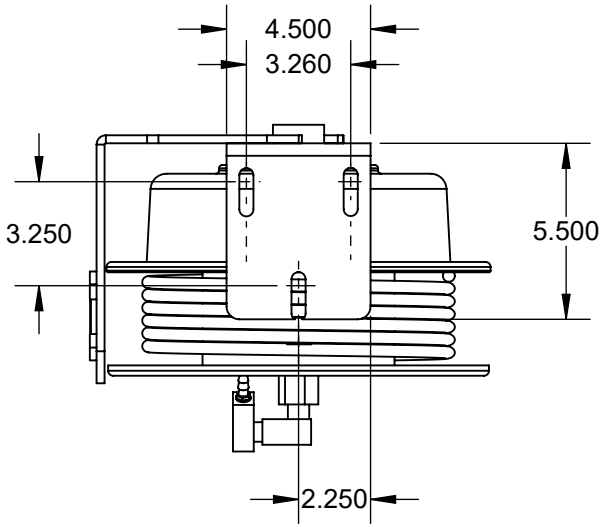

Applications: Manufacturing plants, chemical processing, oil and gas, refineries, industrial pumps, fleet servicing, maintenance and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
