

XLE-MILS-D38999.26WB98SB-F-S11-6P

5A MIL Spec Connector - D38999/26WB98SB - Circular Female, Shell 11/6 Positions

Product ID: 309328

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

XLE-MILS-D38999.26WB98SB-F-S11-6P Mil Spec Connector

Device Series: D38999

Device Type: Circular Female Connector

Dimensions: -

Weight: 5.6 oz

Amperage Rating: 5A

Voltage: -

Frequency: -

Phase: -

Positions: 6

Insert Arrangement: 11-98

Shell Style: Straight

Shell Size: 11

Termination Style: Crimp

Mounting: Free Hanging, Straight

Contact Plating: Gold

Contact Material: Copper Alloy

Mating Style: Self Locking

Shell Material: Aluminum

Shell Plating: Olive Drab Cadmium

Certifications - Compliance

MIL-DTL-38999 III
