TLR-34-LBT-TA

Transformer Trailer - Tandem Axle -16'L x 8'W x 8'H

Product ID: 317148

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The Larson Electronics TLR-34-LBT-TA Transformer Trailer enables transportation and deployment of transformer systems and equipment in temporary jobsites. The trailer features a tandem axle design for heavy-duty towing.

PLEASE NOTE: ANY FREE SHIPPING OFFERS DO NOT APPLY TO LIGHT MASTS OR LIGHT TOWERS

This trailer from Larson Electronics is designed to allow operators to quickly and safely deploy electrical equipment in work areas. The tandem-axle trailer has a wide trailer bed capable of holding large transformers for portable deployment. A 2-5/16" hitch ball allows for easy hookup and towing. Equipped with a 55" tongue, this trailer has a 12,000-lb. capacity.

The entire assembly is shipped via common freight carrier or flatbed. Larson Electronics can custom tailor these units to customer's requirements.

Suggested Applications: Portable power, temporary lighting, construction sites and security camera deployment.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our

craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
