Dead Tank Circuit Breaker Accessory: Close Coil, 220V DC

Product ID: 321840

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

MT-DTCB-XX-SP6509 Close Coil

Unit Type: Close Coil

Application: Dead Tank Circuit Breakers

Coil Voltage: 220 V DC

Coil Rated Current: 4.3 A

Power: 250-350 V

Operation Time: 100 ms

Dimensions: 4.72" × 2.76"

Weight: 0.44 lbs
