ATEX-EPL-90ELB-M.2IN-F.1.5IN

Flameproof Conduit Elbow - Class I, II, III - 90 Degrees - 2" Male, 1,5" Female, Iron - ATEX/IECEx Rated

Product ID: 324923

Image: ATEX-EPL-90ELB-M.2IN-F.1.5IN

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The Larson Electronics ATEX-EPL-90ELB-M.2IN-F.1.5IN Flameproof Conduit Elbow ensures reliable conduit connections in flammable environments and facilities. This 90-degree elbow is made of iron and finished in powder epoxy paint.

The ATEX-EPL-90ELB-M.2IN-F.1.5IN facilitates tight conduit connections in Class I, II and III, as well as ATEX/IECEx rated combustible sites. This conduit elbow features a 90-degree bend.

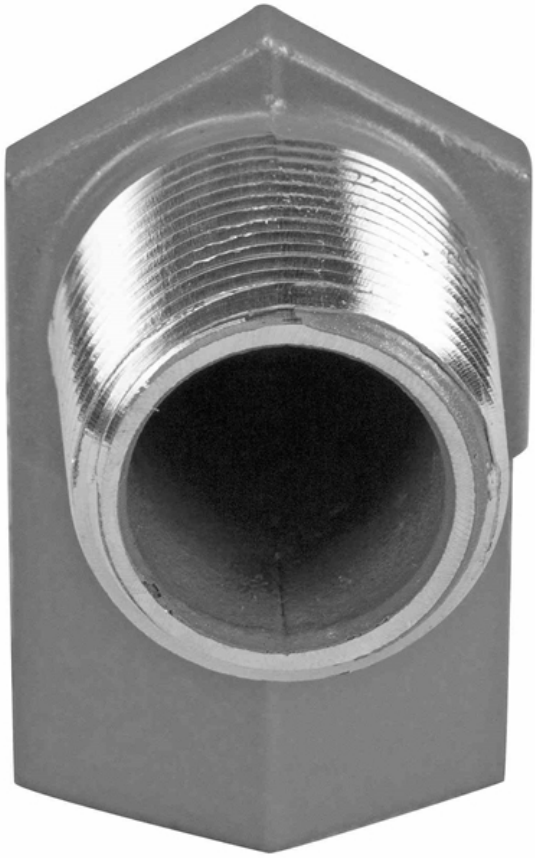

Constructed of iron, the accessory is protected by a powder epoxy paint finish for durability. This unit is offered in the following configurations: 2" male, 1.5" female.

Mounting: This flameproof conduit elbow is threaded and can be secured along conduit systems and connections.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
