Product ID: 331035

Image: MT-SC-3W-15KV-200A-N3R-M3

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

MT-SC-3W-15KV-200A-N3R-M3 Three-Phase 3-Point Sectionalizing Cabinet

Unit Type: Three-Phase 3-Point (J with U Straps) Sectionalizing Cabinet
Dimensions: 78"L x 32"W x 54"H
Weight: 326.55 lbs
Voltage Rating: 15 kV
BIL: 95 kV
Current Rating: 200 A
Ways: 3-Way
No. Of Parking Stands Per Phase: (2)
Ground Sleeve: Included, 24"W x 22"D x 30"H Total Dimensions, 16"W x 17.5"D Top Opening
Insulated: No
Material: Fiberglass
Finish Type: Munsell Green #7GY 3.29/1.5
Mount: Surface
Hubs: N/A

Ratings/Approvals

The Larson Electronics MT-SC-3W-15KV-200A-N3R-M3 Three-Phase 3-Point Sectionalizing Cabinet provides protection and storage for equipment in industrial work areas. Constructed of fiberglass with a UV-stabilized gel coating for durability, the unit can be installed on surfaces.

The MT-SC-3W-15KV-200A-N3R-M3 is designed for use in rugged facilities, industrial locations and jobsites. This fiberglass cabinet measures 42"W x 44"D x 48"H. The non-insulated unit features a UV-stabilized gel-coat finish for protection from corrosive elements. A fire-retardant resin and self-extinguishing filler can be found in the cabinet. This unit features a Munsell Green #7GY 3.29/1.5 finish.

Mount: The cabinet is compatible with surface mounting installations.

Applications: General purposes, industrial sites, equipment, storage and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
