GAU-CR-85

General Area Use Cord Reel - 85 Foot Cord

Product ID: 331717

Image: GAU-CR-85

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

GAU-CR-85

Made in the USA

The Larson Electronics GAU-CR-85 85 foot Cord Reel is designed for lift/drag up to 85 feet. This allows operators to extend the power source up to 85 feet away from the reel, and provides easy storage when not extended.

This 85-foot cord reel from Larson Electronics.com provides a 85 foot long 16/3 cord for long range and convenient operation. The cord reel is designed for a lift/drag of up to 85FT of 500 KCMIL round cable. Reel with cable installed/tested comes with 85FT active travel plus an additional 2FT for safety wrap and hookup. This reel is UL Listed (UL/cUL), and is constructed of durable steel, has a safety yellow and white powder coat finish and includes a ball stop and a ratchet with a lockout feature.
