

GAU-CR-100-400HZ

General Area Use Motorized 400 Hz Cable Reel – 100' Factory-Installed Power Cable – 120VAC Control – Floor Stand Mounted – 600V Max

Product ID: 332331

Image: GAU-CR-100-400HZ

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

GAU-CR-100-400HZ Cord Reel

UL Listing: United States

Dimensions: N/A

Operating Power (Motor): 120VAC, 60 Hz

Max Voltage: 600V

Frequency (Cable Application): 400 Hz

Mounting: Floor Stand Mounted

Cable Length: 100' Factory-Installed 400 Hz Cable

Cable Type: 400 Hz Rated Power Cable

Plug: Factory-Installed and Tested 400 Hz Plug

Installation: Cable and Plug Installed & Factory Tested – Not Field Installed

Rotation Direction: Counterclockwise

Retrieval Speed: Approx. 150 ft/min

Wiring: 100' Factory-Installed 400 Hz Rated Power Cable with Installed Plug

Termination: Flying Leads / Installed Plug

3 year warranty replacement on this cord reel. After 30 days, the customer ships the failed product to Larson Electronics at their expense. If the failure is a manufacturer defect, we will ship a new replacement to the customer. If failure occurs within 30 days of receipt, Larson Electronics will provide a return label via email to the customer. When the failed product is returned, Larson Electronics will ship a new replacement.

Made in the USA

The Larson Electronics GAU-CR-100-400HZ Motorized 400 Hz Aircraft Ground Power Cord Reel is designed to safely deploy and retract up to 100 feet of factory-installed 400 Hz power cable. This unit operates on 120VAC, 60 Hz control power and allows operators to extend aircraft ground power connections up to 100 feet from the reel, while providing secure storage and controlled retraction when not in use.

This 100-foot motorized cord reel from Larson Electronics comes with a 400 Hz rated power cable and plug installed and fully tested at the factory — not field installed. The reel provides 100 feet of active cable travel plus additional length for safety wrap and termination. Designed for aircraft ground support and other 400 Hz applications, the system ensures reliable power delivery while reducing installation time and on-site wiring requirements.
