

RMC-GAL-3-10FT-M1

3" Rigid Metallic Conduit, Galvanized, 10 ft Stick

Product ID: 341579

Image: RMC-GAL-3-10FT-M1

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

RMC-GAL-3-10FT-M1 3" Rigid Metallic Conduit

Unit Type: Rigid Metallic Conduit (RMC), Galvanized Steel

Configuration

Trade Size: 3"

Material: Steel, Galvanized

Length: 10 ft per Stick

Construction

Finish: Hot-Dip Galvanized, Interior and Exterior

Dimensions & Shipping

Length per Stick: 10 ft

Approximate Weight: 46 lbs per stick (estimate)

Shipping Dimensions: TBD

Shipping Weight: TBD

Special Features

Galvanized Rigid Metal Conduit, Standard 10 ft Sticks

Customer Compliance

Final arrangements, sizes, ratings, settings, configuration, and installation details will be

Made in the USA

Features of Every Assembly

Galvanized Steel Construction

Threaded Ends, Standard NPT

Ratings & Approvals

UL Listed, Rigid Metal Conduit

Meets Applicable NEC/NFPA 70 Requirements

Shipping

Shipped on pallet or skid

Crated shipment available upon request

Final shipping configuration subject to approved design

finalized during detailed engineering review and customer approval prior to release for manufacture.

Larson Electronics manufactures a wide variety of custom power distribution systems. The pictures displayed for this unit are a general representation of form factor and may not accurately represent this exact configuration in every detail due to being custom builds. The specifics for this configuration are listed in the specification table and applicable drawings.

Made in the USA

The Larson Electronics RMC-GAL-3-10FT-M1 is a 3" rigid metallic conduit (RMC), galvanized steel construction, supplied in standard 10 ft sticks.

****PLEASE NOTE: ANY FREE SHIPPING OFFERS DO NOT APPLY TO POWER DISTRIBUTION PANELS, TRANSFORMERS, OR SUBSTATIONS****

This rigid metallic conduit is hot-dip galvanized for corrosion resistance, with standard NPT threaded ends for coupling and fitting connections, suitable for protecting and routing electrical conductors in industrial and commercial installations.

Construction:

The conduit is manufactured from galvanized steel, finished inside and out for corrosion protection, in a 3" trade size and 10 ft standard stick length.

Certification:

This conduit is UL listed as rigid metal conduit and meets applicable NEC/NFPA 70 requirements.

Ratings & Approvals:

UL listed rigid metal conduit, meets applicable NEC/NFPA 70 requirements.

Customer Compliance: The final arrangements, sizes, ratings, settings, configuration, and installation details of this equipment will be established in accordance with detailed engineering review, applicable project documentation, and customer approval prior to manufacture.

Larson Electronics manufactures a wide variety of custom power distribution systems.
