

LM-XX-SP2049-EWMH

Replacement Electric Winch Manual Handle - Compatible with Larson Electronics' LM Series Light Masts

Product ID: 342573

Image: LM-XX-SP2049-EWMH

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The LM-XX-SP2049-EWMH from Larson Electronics is a Replacement Electric Winch Manual Handle for Electric Winches found on Larson Electronics' LM Series Light Masts.

The LM-XX-SP2049-EWMH replacement winch handle can be used to replace lost, damaged or otherwise compromised emergency crank handles on any Larson Electronics' LM series light mast with an electric winch. The LM-XX-SP2049-EWMH has a zinc-plated finish and spring loaded safety clip.
