XLE-EL-DS-2KW-240V

2000W Triac Dimmer - 240V AC - 8.33 Amps - Indoor Use Only

Product ID: 344165

Image: XLE-EL-DS-2KW-240V

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

XLE-EL-DS-2KW-240V Triac Dimmer
Dimensions: 3.76" x 2.23" 2.11"
Voltage: 240 V AC
Wattage: 2000 W
Amps: 40 A
Dimming: 0-100%
Enclosure: NEMA 6P
Enclosure Dimensions: 6" x 6" x 4"
Hub Options: 1/2" or 3/4" NPT
Termination:
Lens Material: Borosilicate Glass Lens
Mounting: Surface Mount Bracket
Wiring Hub: 1/2" or 3/4" NPT

Made in Texas

The XLE-EL-DS-2KW-240V from Larson Electronics is a Triac Dimmer designed for indoor light dimming that operates on 240 V AC at 8.33 amps. This 2000 watt dimmer switch has a voltage adjustment of 0-100% and is housed in a NEMA 6P enclosure with feed thru or dead end termination.

The XLE-EL-DS-2KW-240V is a 2000W dimmer switch that allows operators to control light

inside industrial locations. This dimmer has a voltage adjustment of 0-100%, offering full control over light output, and is housed in a protective NEMA 6P enclosure. The enclosure measures 6" by 6" by 4" and is constructed from plastic molding compound that is corrosion resistant. The enclosure has a foam-gasketed lid sealed with stainless steel screws and 1/2" NPT and 3/4" NPT hub size options. The dimmer measures 3.76" by 2.23" by 2.11" with feed thru or dead end termination.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
