EPL-48-2L-197

Clear Polycarbonate Lens Cover for the EPL-48-2L Series, Class I Div. I Fixtures -Prevents Overspray

Product ID: 48313

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

4 Pack Polycarbonate Overspray Shields for the EPL-48-2L series. Over time, spraying can lead to particles reaching the lens of the light fixture. With the polycarbonate shield, operator will not have to worry about such inconveniences. This over spray is designed to fit the EPL-48-2L series explosion proof fixtures, including the LED, LV, UV, and Bi-axial models. This includes (4) shields.
