

C-SEOOW-16-3

SEOOW - 16/3

Product ID: 49496

Image: C-SEOOW-16-3

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The Larson Electronics C-SEOOW-16-3 is the explosion proof cord used with all of our explosion proof products. It allows the operator to safely extend the range of their explosion proof light. The cord is chemical and abrasion resistant. It is purchased by the foot. Please specify number of feet when placing the order.
