HALP-SS-LATCH

Stainless Steel Latch for HALP Series Hazardous Location Lighting Fixtures

Product ID: 69941

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Stainless Steel Latch for HALP Series Hazardous Location Lighting Fixtures. These latches are for replacing current stainless steel latches or upgrading plastic latches to stainless steel. Easy installation.
Each HALP-48-2L and HALP-48-3L series fixtures require eight latches, and HALP-24-2L and HALP-24-3L series fixtures require four latches per fixture. Price per unit.
